

MAKE A MINI BUILDY GREEN!

SUPPLIES NEEDED:

SCISSORS

2-WAY TAPE

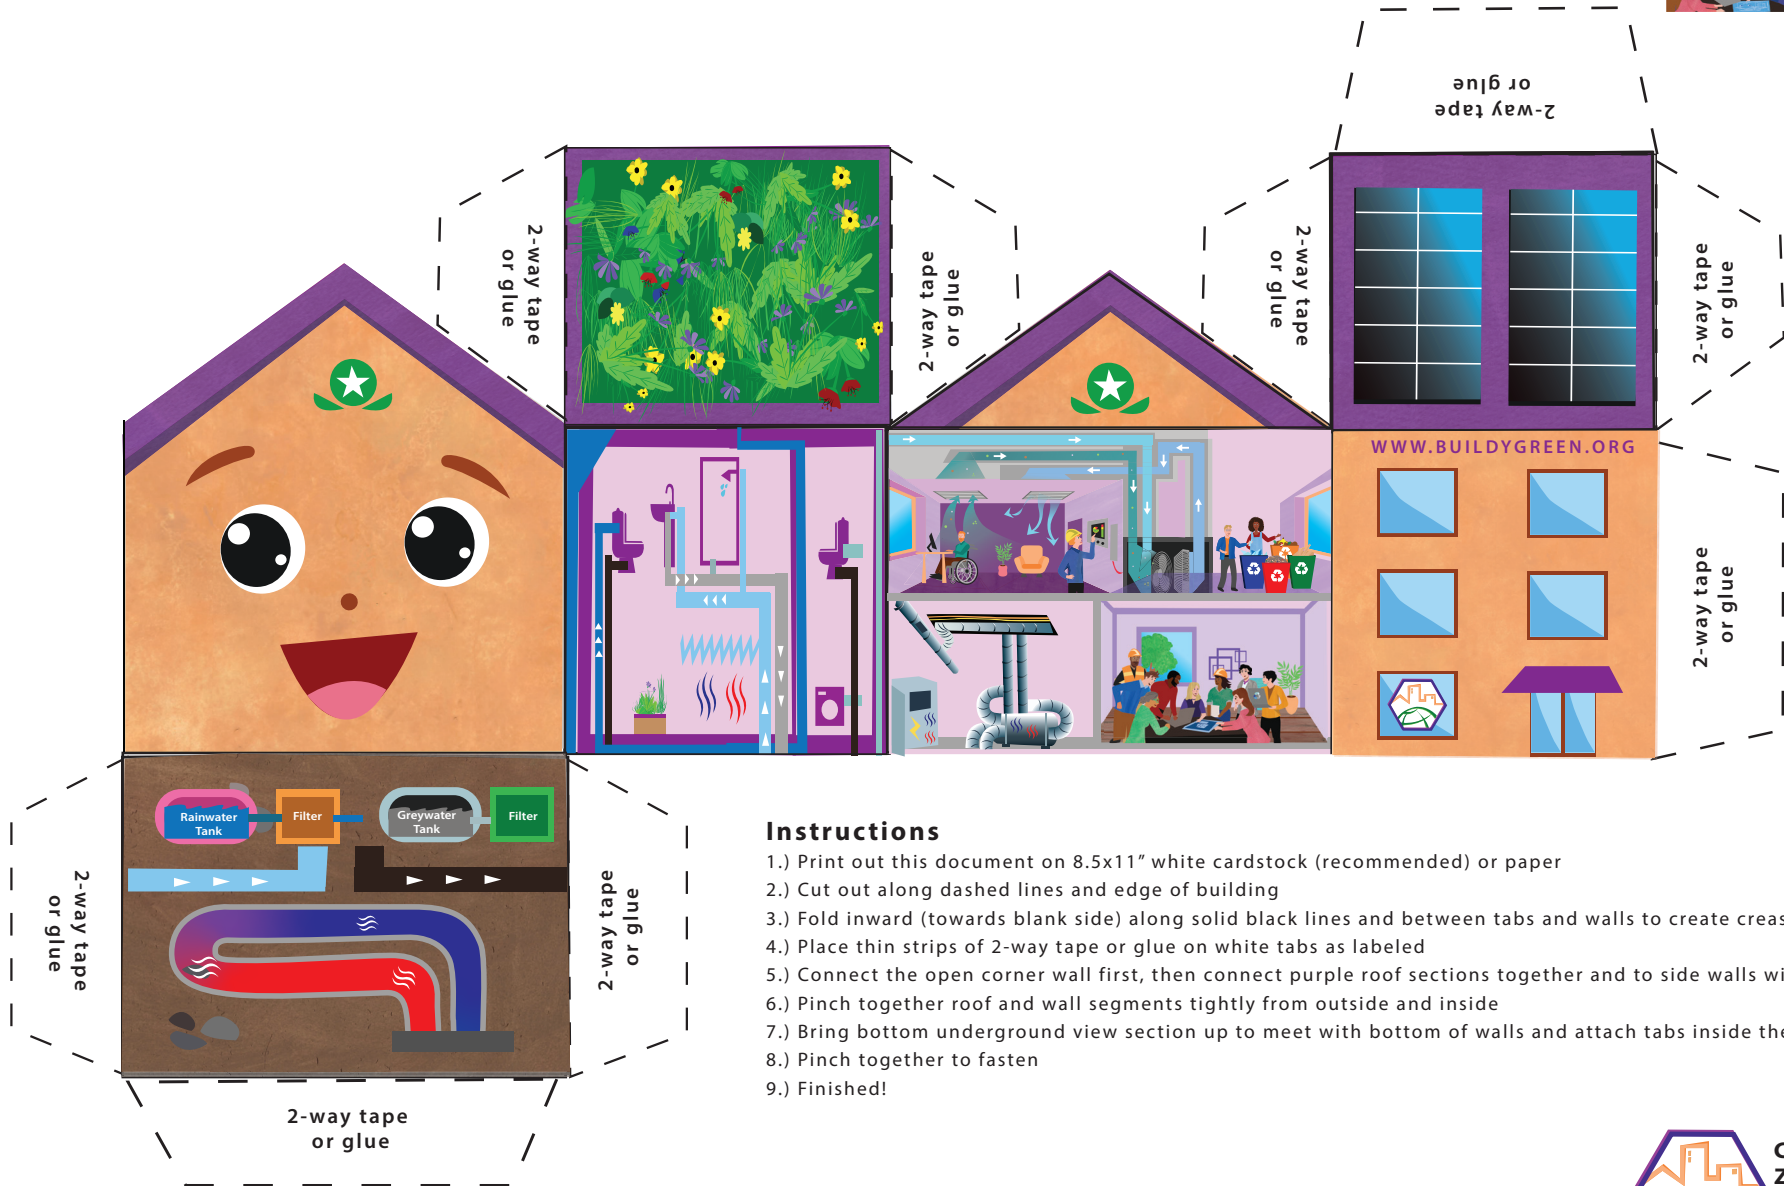

PRINTER

WHITE CARDSTOCK (RECOMMENDED) OR COPY PAPER

DIFFICULTY LEVEL: AGE 9+

ESTIMATED ACTIVITY TIME: 5 MINUTES

This activity goes with
Buildy Green, It Takes a Team!
A Better Building Story

Instructions

- 1.) Print out this document on 8.5x11" white cardstock (recommended) or paper
- 2.) Cut out along dashed lines and edge of building
- 3.) Fold inward (towards blank side) along solid black lines and between tabs and walls to create creases
- 4.) Place thin strips of 2-way tape or glue on white tabs as labeled
- 5.) Connect the open corner wall first, then connect purple roof sections together and to side walls with tabs
- 6.) Pinch together roof and wall segments tightly from outside and inside
- 7.) Bring bottom underground view section up to meet with bottom of walls and attach tabs inside the walls
- 8.) Pinch together to fasten
- 9.) Finished!
